# Halkirk Informer

## August 2023

Council and Administration would like to wish all the residents and visitors in Halkirk a wonderful and restful summer.

Summer is a time when the Village completes community improvements. We are excited this year that the Village will be able to do some of the following work:

- Road repairs and spot paving
- Sanitary Lagoon maintenance

Berry Street Campground – the campground is now fully booked for the months of August & September. Remember to welcome our visitors to the community!

Council and Administration encourage you to do your part in keeping our community looking beautiful. We want to thank Barry & John for working hard to keep the Village's properties clean and trimmed and we would encourage all residents to keep your grass cut and to remove any items that might take away from the beauty of our community.

Thanks to all of you who have done your part this year! Keep up the great work.
